Class 11: Fixation And Idea-Expression

Idea-Expression

Basic Idea

Baker v. Selden

Basic Facts

Selden devises a new system of book-keeping

Like double-entry, but columns and headings let you look at more data at one glance.

Selden publishes a book with an introductory essay, explaining the system, and blank forms or blanks illustrating the system.

Baker publishes a similar book.

Substantially the same book, with a different arrangement of columns and different column headings.

Held (1879)
